********** ***WHAT'S HOT!*** ***WHAT'S NEW!*** **********

5TH ANNUAL MEN'S LEGS CONTEST!

At the **20's/30's/40's Dance Party!** The women will be the judges. Great fun!
Equal time will be given to the women to "Strut Their Stuff!"
In July, the first dance, there were 33 singles. We expect a bigger and growing attendance!
Pop rock, classic rock, and country rock dance music! Line dancing! Dance mixers!

Finally! After a year without leadership, Autrey Phillips has felt led to lead **Spiritual Issues Rap Session!**
He'll be getting interesting and inspirational speakers for the meetings like we used to enjoy
and will himself be our first speaker!

Singles Support Group has been renamed **Growing Singles**
to more accurately reflect its emphasis on personal growth education and discussion rather than support.

Single Parent Support Group has been renamed **Single Parents**
so single parents who are looking for friendship and growth will feel as welcome as those who are seeking support.

"I CAME THAT THEY MAY HAVE AND ENJOY LIFE, AND HAVE IT IN ABUNDANCE-- TO THE FULL, TILL IT OVERFLOWS." (JOHN 10:10) from THE AMPLIFIED NEW TESTAMENT

We're blessed with an abundance of new participation in leadership this month as Autrey Phillips debuts as both a speaker and leader at **Spiritual Issues Rap Session** and Peggy Pippin debuts as a speaker at **Divorce Support Group** on the 18th! We have much talent and ability among our participants!

Last month we were short $180 in funds to get the **Newsletter** out since attendance at the now cancelled Dance fell off so drastically. We count on the net income from our Dances to make up the majority of the $280 per month for just printing and postage alone that it takes to send everyone a newsletter without requiring a fee. We do it this way since we realize that not everyone would be able to afford to pay and we go on faith that those who can will help. Gratefully, this system usually works since we do have some singles who help out generously to make up the difference in what we get from the Dances versus what we need. Fortunately, the new **20's/30's/40's Dance Party** was a success and several singles gave us contributions that exceeded the cost of receiving their newsletter so we are catching back up financially. If you have thought about helping out but haven't yet done so, your help would be much appreciated. PS. We tried the car wash fundraising method several years ago and, after a hot day in the sun, everyone was unanimous that they would MUCH rather use the Dances for fundraisers or just give cash than ever do that again!

Our **Divorce Support Group**, which is modeled after a leading one at Roswell United Methodist Church in Atlanta, has been in existence now for five years. There are by now a bunch of singles who have been coming to it who have grown beyond the need for divorce support who come anyway for the fellowship. We even have widows and widowers who come for the fellowship. This has created a situation of conflicting needs that cannot be satisfied within a single group and hinders the effectiveness of divorce recovery for those who need it. Some singles have moved on to **Volleyball** to meet their midweek fellowship needs but this is not an attractive alternative for everyone. Roswell came to a similar point earlier this year and their solution, which has been a huge success, was to create a "Beyond Divorce Support Group". Their singles have the option of attending either or both. Along this same line, Don Green (who first proposed that we need a monthly dance and has been perceptive about several other of our needs thru the years) suggested that we need a weekly **Singles Support Group**. This would be not only for singles who have outgrown Divorce Support Group but also for widow(er)s and singles who have never married who are looking for a weekly support group. Several of our singles have expressed an interest in this. Please call me if you are also interested. We will start it as soon as we have leadership and a place to have it. Ideally, it will be on the same side of Valdosta as Divorce Support Group so everyone can meet afterwards conveniently for **Food 'N Friends** and singles who ride together won't need to go far from each other if one wants to go to one meeting while the other goes to the other (it is now expected they will both meet at the same time on Thursday night).

Want to have a barrel of fun this month? Join Carolyn Beall and the crowd going tubing and rafting down the Ichetucknee. This is a favorite annual trip and we're certainly grateful to Carolyn for sponsoring it! Why not sponsor your own favorite outing or activity? Call me for details; it's easy!

A special note: Bowling For Beth was renamed to **Bowling With Beth** since she did not want it to appear that she is the prize for the highest scorer! But it will be a special time for her--her birthday's on the 26th! Come join the celebration for someone who has done so much for PCS! Also, join us at one or more of our many other activities!

With love for you and the abundant life, Idelle

DEAR NEW SINGLE FRIEND, Let us introduce ourselves. Positive Christian Singles is a network of about 700 South Georgia and North Florida singles of all ages and ethnic backgrounds who attend one of many different churches or none at all. We are a self-supporting organization with no dues which is run entirely by volunteers and depends on contributions to meet expenses. Our goal is to give you the opportunity to make new friends and have fun, fellowship, and personal growth. All singles--never married, separated, divorced, or widowed--are welcome to attend all activities; children are welcome at many activities. Just come join us! If you don't find what you are looking for on your first visit, give us more opportunity and you will; each of us has been in your place. If you need more information or just would like a friendly ear, call one of our leaders. **A Friendly Bunch!**

MONTHLY NEWSLETTER MAILING LIST POLICY Newsletters are mailed free to area singles. Our operating cost is about $7 per year per newsletter. Call 912-242-3797 to get on our mailing list, if you didn't receive yours, if you don't want or need to receive one anymore, or if you expect an address change (saves 35¢-$1 forwarding postage); please help us minimize our expense. If you move over 90 miles from Valdosta, you'll automatically be removed from our mailing list unless you ask to remain on it. Distant singles and inactive PCC may subscribe for $7 per year.

A MOMENT OF REFLECTION BY DR. BILL GOOCH: Care is not a heroic or morally forced thing. Care just is the real, natural way of a spiritually healthy person. Care exists whenever and to whatever extent despair has not destroyed it. My essential humanity includes care for my own life and the lives of others. Care is not a moral demand I have to choose. It is a state of being that chooses me. Our care for one another is the spirit dimension of love that can be an adequate foundation for human community and ethics. Care is more like a boundless source of energy which is shut off by our despair or fills our whole life--our relations to ourself and others. Bill Gooch 912-242-7830.

THIS SESSION: BIGGEST MISTAKES IN THE BEGINNING OF A RELATIONSHIP** "...so much of the hurt, heartache, and disappointment we experience in love could be avoided if we just paid more attention at the beginning of the relationship." We'll discuss 2 mistakes: we give in to lust blindness and to material seduction. Book pages 140-149. We recommend that you buy this best seller; $5.99; at most bookstores. It's a valuable resource for helping you understand and improve your dating relationships. **8/18 PEGGY PIPPIN PRESENTS: PICKING UP THE PIECES OF YOUR LIFE (AFTER A DIVORCE) AND KEEPING YOUR SANITY TOO!** Peggy will share what she has to offer that she has learned from her life's experiences and will encourage others to do likewise in an open discussion. Peggy is a Divorce Support Group participant; the charge nurse at Holly Hill Nursing Home; and the ex-wife of a USAF career man. She's from the Tennessee Appalachian Mountains, was married 28 years, and has three grown daughters. Don't we learn so much from each other's experiences? Come and enjoy and learn!

THU **FOOD 'N FRIENDS** 9:15PM Shoney's, 1701 N. Ashley St., Valdosta "C-3". Whether or not you were at Divorce Support Group, join us here afterwards for friendship, laughter, and refreshments. Ask host for our table.

Proposition: If you believe in God, the more you learn about science, the more you have to believe there is a God; if you don't believe in God, the more you find out thru biology and physics, the more they prove creation can't happen by itself; it goes both ways. Autrey Phillips will lead this meeting's discussion himself in his debut as Rap Session leader. He is studying Philosophy and Psychology as a senior at VSU; he's traveled in over 50 countries; has studied world religions; has many varied life experiences; and is considering becoming an Episcopal priest. He's in PCS too! Come enjoy what is bound to be an interesting discussion!

We're using the excellent Serendipity Support Group Bible study book, 12 Steps: The Path to Wholeness. While we study from a Christian perspective, no church background is assumed. Great discussions!

We'll also do some line dancing and have dance mixers. Make new friends; perhaps meet a special someone; dance to "get close" music... Admission $3. Free soft drinks. Optional: Bring snacks to share. **6:30PM** Come help set up. (We anticipate that a few singles under 20 or over 50 will want to come. In fairness to all, just as singles under 50 have no say at the 50-Plus Dance, these singles will have no say over the music, sound level, or activities here.)
